Qtenboard

Battery-Powered Freestanding Digital Poster

Battery-powered freestanding digital poster delivers cable-free, high-impact advertising anywhere. Featuring a sleek arched frame, it integrates a high-brightness display with a built-in energy storage system for continuous operation without power outlets. Its portable wheeled base allows effortless relocation across retail stores, shopping malls, exhibitions, and events. Supporting remote content management and scheduled playback, this versatile digital signage solution offers reliable, flexible, and eye-catching promotion with minimal maintenance.

Supports Multi-Screen Mode
